

Mercedes-Benz G-Tribe Bhutan Escapade

A Rare Drive. A Rarer Tribe. Escape the ordinary with the Star.

Become part of the G-Tribe, a community connected by escapades that drive beyond the ordinary.

Overview

Picture this. You're behind the wheel, and the air lifts you with every passing 'mile'. A river appears, shallow yet flowing fast. You cross and the water curls past, as the tyres find their way with you. G-Tribe Escapades by Mercedes-Benz unite legendary SUVs with those who move to the rhythm of open horizons. Beyond the drive lies wonder, moments of stillness, stories born in motion, and a shared passion for the extraordinary.

Come for the Drive. Stay for the Tribe.

The Drive

Steep climbs. River crossings. Long, quiet highways. Easy.

You're not rushing. You're seeing the best version of yourself in what the SUV can do.

The Cuisine

A breakfast with panoramic views of the mountains, where the silence is broken only by wind and birdsong.

Hearty local fare under the stars, where each course arrives as the night deepens.

The Culture

A morning spent at a monastery, joining in silent prayers.

An afternoon in a village workshop, watching hands shape something simple and beautiful.

An evening that ends with traditional artistic performances.

The Tribe

You arrive as motorists. You leave as storytellers.

A laugh shared over morning tea. A quiet nod after a long day's drive.

Come for the road. Stay for the people, places, and panoramas you will encounter along the way.

Crafted for Awakening

This Bhutan Escapade invites you to a 'star-studded' adventure into one of the world's last great Himalayan kingdoms.

- + Start in the foothills and cross the border. Drive ever higher, past winding mountain passes, emerald valleys, and monasteries perched grandly amidst the clouds.
- + The capital is a quiet blend of tradition and modern life.
- + Visit a statue with a view, a riverside fortress, a memorial and ancient monasteries, including one dedicated to fertility and a divine madman.
- + River raft, Taste local cheese by the river, shop, drink Bhutanese beer.
- + A chance to climb up into the heart of this country.

Beyond roads. Beyond routine. Behind the Three-Pointed Star.

This is your passage through the Land of the Thunder Dragon; breathtaking, age-old and magical, seen only with the Star.
